problems, lack of resources, etc. The Working Group on Land Reclamation and Development for the formulation of the Seventh Five Year plan had recommended for taking up a Centrally sponsored scheme for '"Survey, Categorisation and Restoration of culturable wasteland and fallows other than current fallows" with an outlay of Rs. 255 crores. The scheme envisages undertaking survey and categorisation Over 2 million, of area comprising 1.2 million ha. of culturable wase-land and 0.8 million ha. of long fallows and developing restoring about 5 lakh ha. of area (comprising 3 lakh ha. of culturable wasteland and 2 lakh ha. of long fallows) to productive uses during the Seventh Plan. Owing to financial constraints and no allocations provided during the Annual Plans 1985-86 and 1986-87 and also for the Seventh Plan, it has not been possible to initiate the scheme so far.

The National Wastelands Development Board hss been set up for undertaking large scale afforestation programme in wastelands for raising fuelwood and fodder.
